The screenshot displays the IBM Watson Assistant chatbot interface. At the top, a navigation bar includes 'IBM Watson Assistant Lite', 'Upgrade', 'Healthcare Bot', and a 'Learning center' link. Below this, a 'Preview assistant' section shows a preview of the chatbot's interaction with the DonatingPlasma.org website. The website's header features the 'DonatingPlasma.org' logo and a search bar. The main content area of the website is titled 'Novel Coronavirus Disease (COVID-19) Resources' and includes a 'Learn more' button. A 'Welcome' message is displayed below the resources section. On the right side of the chatbot interface, a blue chat window is open, showing a greeting from the virtual assistant and a list of suggested actions: 'Create an account', 'Blood statistics', 'Connect to a live agent', and 'Appointment confirmation'. The chat window also includes a text input field and a 'Send' button. At the bottom of the chat window, it states 'Built with IBM Watson'.
